

### Mounting Detail

3G's Recessed Linia product is designed to integrate easily into a variety of grid types and tile styles. Please see the mounting options below and select the appropriate ordering code that matches your specific application.

### 2.5" GRID CEILING (PG. 254)

3G's Recessed Linia product is constructed with 3' and 4' lamps and is designed for standard lengths and continuous runs. The 2.5" Grid ceiling model integrates easily into a variety of grid types and tile styles. Fixtures longer than 5' feature staggered lamping with a 4.5" overlap to eliminate socket shadows and create a consistent, uninterrupted beam of light. Modified and custom configurations available upon request.

Nominal Length	Lamp Source	Ordering Example: 3G-RLI-12FT-T5-120-E-GC1-T-FL-WH
2FT	2' Lamp	
4FT	4' Lamp	
5FT	5' Lamp	
8FT	3' Lamp 3' Lamp 3' Lamp	
<b>Continuous run example:</b>
